STATEMENT BY THE PRESIDENT REGARDING THE PROCEDURE FOR DISCUSSION OF THE BUDGET.

PRESIDENT : Under Rule 69, the debate on the budget will begin with a general discussion and be followed by the voting of demands for grants. Two days have been allotted for the general discussion and the maximum of seven days has been set apart for the voting of demands for grants. The Demands will be taken up in the order in which they are printed in the list of Demands, copy of which has been already furnished to honourable members. The Demands under II Land Revenue and Taxes on Income and VII Public Works may each be discussed for one whole day ; and not more than half a day will be allotted for each of the remaining demands.

Every member, other than the Financial Secretary, will be allowed during the general discussion stage, not more than *fifteen minutes* as usual. But I hope honourable members will, while not unduly restraining themselves, allow as many non-official members as possible to participate in the discussion and also render it possible to give the Government members adequate time for reply.
